

Ideation Phase

Brainstorm & Idea Prioritization Template

Date	24 june 2026
Team ID	
Project Name	Darshan Ease
Maximum Marks	4 Marks

Brainstorming:

The Darshan Ease application is designed around three primary user roles: **Devotee (User)**, **Organizer**, and **Administrator**. Each role has distinct responsibilities that ensure the smooth operation of the temple darshan booking system.

1. Devotee (User)

Objective

Book temple darshan tickets conveniently and manage personal bookings.

Responsibilities

- Register a new account and log in securely.
 - Manage personal profile information.
 - Browse available temples and darshan details.
 - Search temples by location or name.
 - View available darshan slots and timings.
 - Select preferred date and time slot.
 - Book darshan tickets for individuals or groups.
 - Make online payments and optional donations.
 - Download or view e-tickets after booking.
 - View booking history and upcoming visits.
 - Cancel or modify bookings (if permitted).
 - Receive booking confirmations and notifications.
 - Submit ratings and feedback after the darshan.
 - Logout securely.
-

2. Temple Organizer

Objective

Manage temple operations and ensure efficient darshan scheduling.

Responsibilities

- Log in using organizer credentials.
 - Manage organizer profile.
 - Register and update temple information.
 - Create, edit, and delete darshan slots.
 - Set daily visitor limits and seat availability.
 - Monitor slot occupancy in real time.
 - View and manage devotee bookings.
 - Approve or reject special booking requests.
 - Generate visitor lists for each slot.
 - Update temple announcements and schedules.
 - Handle cancellations and slot rescheduling.
 - Respond to devotee queries.
 - View booking statistics and reports.
 - Logout securely.
-

3. Administrator

Objective

Monitor and control the overall application.

Responsibilities

- Manage administrator account.
- Add, update, and remove users.
- Approve and manage temple organizers.
- Add and manage temple records.
- Monitor all bookings across temples.
- View payment and donation reports.
- Generate analytical reports and dashboards.
- Handle complaints and support requests.

Role Interaction Overview

Step-2: Brainstorm, Idea Listing and Grouping

2

Brainstorm

Write down any ideas that come to mind that address your problem statement.

🕒 10 minutes

TIP
You can select a sticky note and hit the pencil icon to switch to sketch mode to start drawing!

Amar	Yuktesh	Person 3	Person 4

3

Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. In the last 10 minutes, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you can break it up into smaller sub-groups.

🕒 20 minutes

Person 4

TIP
Add customizable tags to sticky notes to make it easier to find, browse, organize, and categorize important ideas as themes within your mural.

Step-3: Idea Prioritization

4

Prioritize

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.

🕒 20 minutes
